

McTech Dental

Shipping Instructions

As part of our commitment to improve our quality of service McTech is very excited to announce our partnership with WWEX (World Wide Express). WWEX is an affiliate of UPS and is tailored to accommodate small to medium sized businesses and practices. Previously, McTech and its accounts have experienced frustrating results from the Postal Service. Hence, this partnership with UPS through WWEX will help assure that your cases are delivered on time.

The following is the information you will need to access your very own WWEX login. Through this platform, you will be able to print your shipping labels. We will cover shipping costs as well as provide boxes, shipping label pouch stickers, sanitary bags, and Rx forms. We only ask that you please refer to our Sanitation policy in regards to safely sending us your cases.

McTech has streamlined the process to make your shipping as fast and easy as possible. If for any reason you have questions, please call Ryan (406-248-9112) and he will be happy to immediately address your concerns.

Thank you
Ryan McKee
